Biodegradable Paper Cups

These BPI certified cups use a corn based plastic as a moisture barrier rather than a petro chemical plastic.

The cup is fully compostable in commercial and municipal sites and requires less energy to produce.

Each cup is preprinted in green horizontally along the bottom and vertically up the seam.

Your logo will make a statement that you are committed to a sustainable approach.

Paper Cup Sleeves/Insulators

Our cup sleeves fit most paper cups between 10-20oz.

Imprints are offered on one side.

The sleeve will rest at different heights on the cup depending on the cup diameter.

The dimpled surface sleeve offers improved gripping of the cup as well as a channel for heat to circulate.

Temps de production: 10-15 jours ouvrables après réception de toutes les approbations sur la plupart des articles. Les volumes plus élevés prendront plus de temps. Contactez le service à la clientèle pour les temps de production. Une fois qu'un bon de commande nous est envoyé, nous répondons en envoyant une commande client par télécopieur, une épreuve graphique et un formulaire d'autorisation de carte de crédit. Nous demandons la signature de toutes les copies avant de procéder à la production. Les commandes seront retardées jusqu'à réception de toutes les approbations.

Service urgent: offert sur certains produits @ 20-40 % en sus ou 50,00 \$ (G) minimum.

Vérifiez avec l'usine pour la disponibilité et les délais.

Document d'impression: nous exigeons un document d'impression vectoriel en format EPS.

Version CS5 Illustrator ou antérieure.

À moins de demande contraire, nous redimensionnons le document pour mieux convenir aux zones d'impression. Le document d'impression doit être envoyé au format approprié. Tout changement, y compris la mise en page, fera l'objet de frais minimum de 50,00 \$ (x) l'heure. Les lignes minces et les polices de caractères de moins de 9 points disparaîtront ou seront remplies. Aucun demi-ton ni gradient. Les logos avec cercles sur les tasses paraîtront ovales en raison du cintrage sur la tasse. Les écrans, plaques et films demeurent la propriété de The Printed Drinkware Company.

Épreuve: frais supplémentaires de \$5.00(x) par preuve d'email, \$5.00(x) par révision, plus les frais d'exécution indiqués ci-dessus. Prière d'allouer 1 jour ouvrable pour l'épreuve.

Échantillons de préproduction: nous pouvons offrir des échantillons de préproduction sur certains produits seulement.

Tirage excédentaire/déficitaires: nous essayons d'avoir des comptes exacts sur la plupart des articles.

Les articles à volume élevé sont acceptés et sujets à +/- 10 % et facturés en conformité.
